Welcome Back!

Welcome back to a new school year! [We here at VSCA](#) hope that your year is off to a good start and we look forward to interacting with you this year, whether it's in-person or in a virtual format. We don't know what the future will hold as far as the pandemic goes, but we do know that VSCA is a supportive community that can help all of us do what we do in these trying times. We are forging ahead with programming for the year and will adapt as needed. If it has been a while since you were an active member, we invite you to [take a second look](#) and discover all that VSCA has to offer!

Adviser Webinar

Join us for the first webinar of the 2021-22 school year at 7:00 p.m. on **Wednesday, September 15** when the topic will be **Building School Spirit & Engagement**. After most of us were either

virtual or hybrid last year, we can't expect students to just jump back to the way it was before the pandemic. How do we build back a good level of spirit and engagement? This webinar will be interactive, so come prepared to share ideas and learn from others. [Register here](#) to get the link to attend the webinar.
